Dear Dr. Valk,

I would be delighted to serve as an advisor for American Social History Project on the *Teaching and Learning OutHistory* project through the National Historical Publications and Records Commission's Public Engagement with Historic Records grant. By creating pedagogical materials, this project will encourage teachers, students, and members of the public to explore the rich collections of historical materials available via OutHistory.

It is my understanding that, if awarded, the grant will commence on or about September 1, 2021, and my work on the grant may continue until approximately March 31, 2023. I am looking forward to working on this exciting and important project.

Sincerely,  
Stacie Brensilver Berman
