GRANT SUPPORT (select)

- 2017 Co-Investigator United Nations Development Program and World Bank, “Lesbian, Gay, Bisexual, Transgender and Intersex Inclusion Index,” Provided technical assistance in the development of the first ever country index of LGBTI inclusion.

- 2011-14 Co-Principal Investigator (Drexel University/Rochester Institute of Technology/University of Rochester) National Science Foundation, "Collaborative Research: Social Diffusion in Online Media for Reaching Hidden Communities," Examined emerging methods to identify and collect health information from small geographically disbursed populations using online social networks.

TEACHING EXPERIENCE

- 2015- Drexel University, School of Public Health, "Lesbian, Gay, Bisexual and Transgender Health Disparities." Reviewed and revamped course syllabus including readings and assignments and taught yearly online.
- 2010- Drexel University, School of Public Health, "Research with Rare, Stigmatized and Hidden Populations." Proposed and developed curriculum for a course intended for students who wish to conduct research or evaluate programs designed for rare, stigmatized and/or hidden populations. Most populations of interest in public health fall into one or more of these categories. Taught yearly online.
- 2010- Director of the Certificate for Lesbian, Gay, Bisexual and Transgender Health through Drexel Online. First such certificate ever at a university. The Certificate requirements include taking three online classes, "Research with Rare, Stigmatized and Hidden Populations," "Lesbian, Gay, Bisexual and Transgender Health Disparities," and "Intersectional Perspectives on Health."
